**Perhaps my time seemed all too brief  
Don't lengthen it now with undue grief  
If my parting has left a void  
Then fill it with remembered joy  
Be not burdened with times of sorrow  
I wish you the sunshine of tomorrow**

### **PRESIDENT'S MESSAGE**

As my term of office comes to a close, I would like to thank all of the association members for their unwavering support for the last two years. Without your support neither the board or I could have accomplished what we did. My replacement is an individual who loves the sport of bowling and brings a great deal of knowledge and experience with him. Please give Mr. Rod Kensinger the support, suggestions and good ideas that you had for me. USBC has more changes on the horizon, but being one of the best association (if not the best), I

know we will thrive. As Don Wright said for many years "See you on the Lanes", and remember the key phrase Bowling is Fun (BIF)!!

Lee Price, President

### **ASSOCIATION MANAGER'S MESSAGE**

Welcome to the sport of bowling, a most enjoyable pastime. As another bowling season comes to an end, I would like to take time to reflect on the past season and also look forward to our future. USBC new motto is A Future for the Sport. USBC provides membership services, first time honor scores for 300 game, 800 series, 900 series and the local association provides the local awards. I am very pleased that this association continues to work well together. I feel that each board member is like an extended family and the bonds that have been developed will last a lifetime. We must continue to work for our bowlers' young and old, bowlers of all skill levels; making sure new bowlers feel welcome at all of our events regardless of their bowling ability. Our association welcomes President Rod Kensinger; Directors Cynthia Hernandez, Tee Jay Jones, and Jim Kistler. I would like to thank Lee Price and Jenny Shotwell, for their service to the bowling community. Once again thanks to all the association leaders, coaches, proprietors and all the bowlers for another great year. I look forward to another great year as your association manager.

Suzie Wollek, Association Manager

# JAMES SCHIRRIPA

## *Breaks City Record during All Stars on 21 November 2015 with a 289-289-300 = 878*

Article from the Killeen Daily Herald written by Allan Mandell, FOR THE RECORD THIS 16 YEAR OLD CAN BOWL Some athletes, pro and amateur, like to talk trash. Then there's 16 year old James Schirripa, a sophomore student-athlete at Ellison, who competes for the school's bowling team. "James is very laid back, very calm, well-mannered, polite," said Ellison bowling head coach Karin Ciesiolka. "He gets along well with the other kids. During our high school practices, the only talking he does is to try and help out the new kids that are learning how to bowl. James never talks trash. During the 2014-2015 season, Schirripa was a freshman on Ellison's team which made it to the state tournament. He didn't qualify for the state tournament as an individual. "I was kind of rusty last season," Schirripa said. "There were some certain things I needed to work on to get better." On November 22 at Killeen's Hallmark Lanes, Schirripa showed Killeen and the entire state of Texas that indeed, Hallmark was hosting an All Star Youth Bowling League featuring teams from Killeen, Austin, Georgetown, among other areas. Schirripa, whose current average is 206 was bowling for a team called the "Hallmark Majors" and he rolled a 289 in his first game. Like anyone who takes bowling seriously, Schirripa's goal was to roll a 300 game. "Not only that, I always wanted to get my first 300 game at the age before my dad got his first 300 game" Schirripa said. Pete Schirripa, 39 is the head mechanic and youth director at Hallmark Lanes. He was a professional bowler. Like his son, Pete is modest, soft spoken. "I did some regional tournaments in the Pro Bowlers Association and I held a PBA Card." Pete said. "I was in it for seven years, played in and around 15 events, never advanced. I wasn't successful; let me put it that way." Pete is currently the assistant bowling coach to Ciesiolka at Ellison. Pete had bowled his first 300 game when he was 26 years old. So back to November 22, Game 2 James Schirripa struck in the first 10 frames and then spared ultimately finishing with another 289. At this point, James had the entire lanes attention. "My first thought after watching James complete those first two games is he had a shot at a 700 series," Ciesiolka said. "That's a great accomplishment. He needed to bowl a 122 in the final game to get that I was impressed with how relaxed he looked in those first two games. Previous to November 22, James high series was a 724. During his first two games on November 22 James kept staring up at the big-screen television. "He was watching the football game to help keep him calm," Ciesiolka said. "I'm a Giants fan." James said "But they weren't on the TV so I was just watching the two teams that were on (Houston, New York Jets) so I wouldn't get distracted by the pressures of bowling and it was working for me. It kept me from getting nervous." While it's entirely possible perfect records haven't been kept, as best anyone can tell and Ciesiolka and others have done extensive research in the 130 plus years Killeen has existed, the best city three game bowling series prior to November 22 was 870 by Josh Herrick, rolled five years ago. Seven years ago Pete Schirripa had set a city record with an 847 series. After watching James Schirripa roll his first two games on November 22 Pete had some thoughts, some big thoughts. "I thought James could get a 300 game the way he was rolling" Pete said "I thought, for sure he could get an 800 series, which is an incredible accomplishment. He needed a 222 for that. He was rolling so well" In Game 3, James rolled a strike in each of the first five frames. "After five frames, I wasn't thinking about a 300 game," James said "In those first five frames, there were a few of those strikes that were ugly. Things looked ugly after I rolled a couple of those balls." But 10 pins falling all at once always looks pretty "Yes," James said, "That's true" And so James kept rolling on strike, strike, strike, strike. He'd been perfect for nine straight frames. Then it was time for the 10th frame. "I looked up at the football game," James said "It was keeping me calm." Not Ciesiolka, nothing was keeping her calm. "I was a nervous wreck," she said. "My nerves were rattling; it was like I was watching my own kid." It was all in front of James; the city record, the Texas youth record, a 300 game. "On the first ball of the 10th frame, right when I threw it, I knew it was in the pocket." James said. Strike! So he needed two more strikes for perfection. "Then, on my next roll, my thumb slipped out of the thumbhole," James said "I was pretty much thinking, "It's all over. Usually when my thumb slips, the ball will over-hook or just go into the gutter. But luckily the ball still hit the pocket." And all 10 pins fell. Strike! There was one more ball to roll. James needed three pins to break the all-time city record. "My mindset was all James had to do was keep it on the lane to have the city record." Pete said. "The all-time city record is huge. For a 16 year old to get it is unbelievable. Of course I knew he was capable of getting the 300 game, too." "So I picked up my ball." James said. "I took a look at my target, took a deep breath, threw the ball, it went dead center, it hit between the 1-pin and 3-pin exactly where you want it." James had left no doubt; All 10 pins fell. And there it was a 300 game and the all-time Killeen series record at 878 set by James Schirripa. That also is the new all-time youth high series for the state of Texas. "James just crushed that pocket on that last ball." Ciesiolka said. "It was very surreal to watch. James started cheering and so did everyone else at the bowling alley. Everyone was hugging him and giving him high-fives." "Well," said James "I really can't explain how I felt. It was amazing, exhilarating." Of course Pete Schirripa ended up hugging his son too. "My dad told me how proud he was of me and reminded me how glad he is that I'm his son," James said. Interesting enough, for the past few weeks, there has been some trash talking but not from James Schirripa. "Well," said Pete, "would you believe a lot of people are trash-talking to me? A lot of people are talking trash to me, saying Your son beat you! Your son beat your record! And I say with pride Yes, that's true but he beat you too.

# TOGETHER WE CAN

Together We Can is the motto for USBC for the last several years. Our association proved this when Rick Leonard, Waco Association Manager requested assistance from our association with the lane certification at Westview Lanes. Our association brought our equipment and 22 volunteers to train their board members led by Glen Brashear at 8 am on Sunday 10 July. We were welcomed and everyone worked together as a team. We trained their board on all aspects of the lane certification.

Mike Larsen, USBC sent the following message "Talk about teamwork! We can't thank you enough for the great efforts of both boards and volunteers there to help educate one another about this service the association's provide to the centers."

All of the Waco Board was very appreciative of our assistance.

***The give back to the bowlers' campaign was devised by the association to give something back to our local bowlers. The association returned \$1156.00 to 37 bowlers; one for each league bowled in the association. Association officials visited each league the last week of October and drew a lane number and then the bowler position number to determine the winner.***

## CELEBRATE KILLEEN FESTIVAL

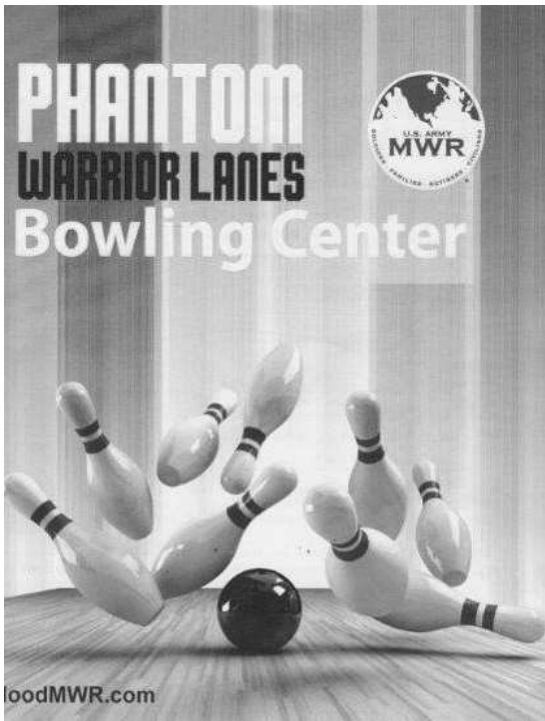

The association is actively looking for ways to recruit new bowlers. This year we set up a table at the Celebrate Killeen Festival to promote the association and the local bowling centers (Hallmark Lanes, Killeen Bowlerama, Phantom Warrior Lanes, and Spare Time Texas). The table contained free handouts, promotional items, as well as association board members were readily available to answer any questions.

## AWARDS

The local association provides all skill level bowlers with awards for their bowling accomplishments. The association works hard to return the awards to the centers within one week of the receipt of the awards. Bowlers who do not receive an award should contact their league secretary to inquire on a status of an award.

On 1 August 2014 USBC started issuing once in a lifetime awards for bowlers with 300 game, 800 series, and 900 series. If you have received a honor award from USBC prior to 1 August 2014 that counts as once in your lifetime and you are unable to receive another free award. If a bowler wants to purchase the award please contact Keepsake Bowling after your award appears on the bowl.com, find a member page.

If you have any questions feel free to contact the association at e-mail: [bowlkilleenforthood@hotmail.com](mailto:bowlkilleenforthood@hotmail.com)
