Honoring

Maxine Newton

Jerry Stutz

Maxine Newton

Maxine Newton has been an asset to the bowling leagues at Phantom Warrior Lanes for over 14 years, where she has served as league secretary for the TNBA, Lone Star Mavericks and Thursday Night Mix After Six. Maxine has also served on the association board. Maxine will help her fellow bowlers and be the responsible party to submit entries to the Texas Women's and State Mixed and Women's Nationals. She is even known to sponsor a team or two. She has also competed in and submitted teams for our association tournaments. Maxine has been a member of the association for 30 years.

A little known fact about Maxine—she has picked up the 7-10 split.

Jerry Stutz

Jerry Stutz has been a member of our association for 17 years. He has competed in all of our association team tournaments nearly on an annual basis. In the 2015-2016 season, his team, the Wholly Rollers, won Division 2 of the City Open Tournament. Jerry has sponsored teams for the Harvest Tournament as well as Youth City and State. He has driven and chaperoned youth bowlers for state tournaments. Jerry has been a coach on the Saturday morning leagues, for Copperas Cove High School, and also during our association coaching clinics. During said clinics, Jerry would both teach in the classroom as well as on the lanes. He was awarded Coach of the Year in 2007-2008 season. Jerry has served on the association board as a director and a auxiliary member. He is always that board member that says, "What do you need me to do?" and follows through with the tasks. Jerry is not too shabby of a bowler either, with a 300 game and three 11 in a row games under his belt.
